

Man charged after 29 hour stand off

A 44 year old man has been charged with two counts of attempted murder after two Ontario Provincial Police officers were wounded on Thursday in the Village of Haliburton.

The wounded officers, Constables Chuck Long and David Lemieux are members of an OPP tactical rescue unit from North Bay.

The unit was one of three tactical teams called in during a 29 hour siege of a residence near the Haliburton Hospital.

The incident began shortly before noon on Wednesday when Constables Wim Magee and Brian Dunham of the Minden detachment were threatened by a man carrying a rifle at the home. The officers were attempting to arrest the man on a warrant issued under the Mental Health Act.

The two officers found cover behind their cruiser

parked in the driveway and reported the situation to the Minden detachment of the OPP.

Police roadblocks were set up on County Road 1 and traffic diverted through the Haliburton Highlands Secondary School grounds. A number of residents in the immediate area were evacuated.

Police negotiators began talking to the man early in the afternoon using the roof mounted speakers on the cruiser parked in front of the residence but there was no response.

While the negotiating attempts continued tactical rescue units from North Bay, Mount Forest and Barrie arrived at a temporary command post set up in a residence two houses away. The officers, dressed in combat fatigues and wearing steel helmets and bulletproof vests, surrounded

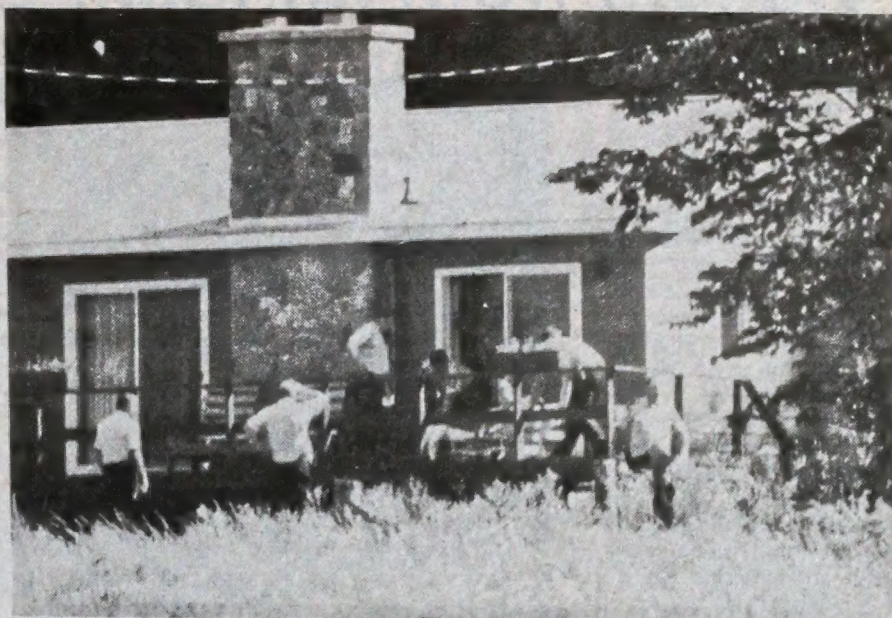

ed the house.

At 8 o'clock in the evening the tactical unit began firing tear gas canisters into the residence. A total of 14 canisters were fired into the house over the next two hours but the man remained in the residence. At 10:15 p.m. the road blocks were removed from County Road 1 and the road opened to traffic.

Sergeant Bill Bailey informed reporters that the house was surrounded by police and the area secured. He emphasised that there was no danger to the community. He described the situation as a "Mexican standoff" adding that the individual in the house was not communicating with police negotiators.

Following the removal of the roadblocks a large crowd which had gathered

To the delight of the large crowd gathered to greet him, Brian Mulroney, leader of the National Progressive Conservative Party, entered the Kinmount Fairgrounds in Haliburton County style. Ski group hires trail co-ordinator

The Haliburton Highlands Nordic Trail Association (HHNTA) has hired a program coordinator to oversee the development of the county wide linked cross-country trail system.

Mike Exall, Coordinator of the Outdoor Education Programs at Seneca College and a member of the executive of Cross Country Canada assumed the position on August 1.

Exall will be taking a leave of absence from Seneca College for one year to act as a consultant to the HHNTA.

Exall has studied linked trail systems in Norway, Finland, Eastern Canada and Vermont, and is considered to be one of the most knowledgeable experts on cross country skiing in Ontario.

The new program coordinator was introduced to the members of the association at a general meeting held on Thursday, August 9.

Exall told the members that he is very optimistic about the future of cross country skiing in the Highlands and noted that a

linked trail system should have a significant economic impact on the area.

He said that the excellent snow conditions, long skiing season and rolling topography make the Highlands an excellent area for cross country skiing.

He added that the hills and valleys are far more attractive and challenging to a skier than many other areas of southern Ontario.

The Highlands, he said, have an advantage over similar recreational areas in Quebec and northern Ontario because of the proximity to the major urban centres in southern Ontario which represent a market of 4 1/2 million people.

Exall will design and supervise the construction of 125 km of recreational trails and a 25 km competitive track. The recreational trails will serve as a link between the existing trails that are maintained by the Ministry of Natural Resources, private resorts and several municipalities.

Four sites are presently being considered for the

competitive track. The 25 km trail must fulfill certain height and descent factors which are determined by World Cup officials in order to be selected as the site of a World Cup competition.

The HHNTA intends to bid on a World Cup race within the next decade. The association will also be bidding on several provincial and national competitions.

It is expected that 75% of the total linked trail system will be completed within the next year.

The association has been awarded a Lottario grant of \$150,000 toward the total capital budget of \$263,000. The grant will cover planning and maintenance costs and the purchase of track setting vehicles and equipment.

Additional funding to establish the linked trail system is expected from five municipalities and private business.

Curtis Eastmure, President of the HHNTA, emphasised at the general meeting

Visitors from Minden, Germany

Reeve Lyle McKnight and members of the Anson, Hindon and Minden council entertained special visitors recently.

An official delegation from Minden, Germany, passed through the community as part of their tour of North America.

The delegation was led by the German city's Deputy Mayor, Gunter Witte. Travelling with his wife and a second couple, Mr. and Mrs. Klaus Schaefer of Germany who acted as interpreter for the Deputy Mayor, the visitors were given a tour of the Ontario community which bears the name of their city, then treated to dinner at the Fireside Restaurant.

Herr Witte presented the Reeve with a book featuring colour photographs of the city of Minden in West Germany. The members of council presented the visitors with mementos of their stay in Minden, Ontario.

The following Thursday, as the council met in its regular session, a resolution was passed enrolling Herr Witte as an honorary member of the local council. A special scroll marking the occasion is being prepared and will be sent to the Deputy Mayor.

The Minden Germany Deputy Mayor is seen in the photo on the right, adding a personal message to the inside front cover of the book presented to Reeve Lyle McKnight.

Council rejects CMHC offer

An offer to purchase a lot in the Highland Gate Estates subdivision by the Canada Mortgage and Housing Corporation (CMHC) has been turned down by Anson, Hindon and Minden council following objections by residents of the subdivision.

The CMHC intended to construct a residence on the property under the Rural and Native Housing Program. Under the subsidy program, residents of the homes pay rents which are geared to their incomes.

Objections to the sale of the property, which is owned by the municipality,

were made at the municipal council meeting on July 26 by a delegation representing the residents of Highland Gate Estates. Brendan Berube, spokesman for the group, stated at the meeting that the construction of the

building "would not be in the best interests of the homeowners in Highland Gate Estates."

He informed council that the residents of the subdivision were concerned that property values in the

neighbourhood would be lowered and added that the residents felt the building should be constructed on a more modestly priced lot.

Stanhope bans bridge divers

Stanhope Municipal Council has passed a bylaw to prohibit diving from all municipally owned bridges in the township.

The bylaw was drawn up after a number of area residents expressed concern over the safety of youngsters who were diving off the bridge on St. Peter's Road.

Councillor Ann Barker noted that vehicular traffic posed a danger to the large groups of youngsters who gathered on the bridge. It was also noted at Council that the youngsters could be struck by boats passing under the bridge and that the divers could be injured by underwater rocks.

The new regulation prohibiting diving will apply to the Buckslide Bridge, the Airport Road Bridge and the St. Peter's Road Bridge.

Mulroney receives warm welcome in Kinmount

A warm and friendly welcome greeted Progressive Conservative leader Brian Mulroney in Kinmount on Sunday. The leader stopped for about an hour during his Southern Ontario campaign to meet local supporters of the Progressive Conservative Party. Well-wishers crowded around the politician shaking his hand and pledging their support.

It was a blue letter day for Conservatives in the riding of Victoria-Haliburton Sunday as the party's national leader, Brian Mulroney, paid a visit on his campaign across the country. The leader dropped in on the annual Progressive Conservative barbecue being held at the fairgrounds in Kinmount.

The fact that Mulroney was scheduled to visit the event helped to swell attendance. Despite a light drizzle, some 1500 residents of the area were on hand to cheer the party leader who was accompanied by his wife Mila and son Mark.

Travelling with two busloads of media representatives, Mulroney made his entrance to the fairgrounds aboard a horse-drawn wagon driven by the incumbent Member of Parliament Bill Scott.

The leader was greeted by warm applause from the partisan crowd who pressed forward to shake the leader's hand and get a closer look at the man. Mulroney and his wife moved through the crowd easily greeting their supporters and signing autographs.

Bill Scott introduced the leader to the crowd; Mulroney praised the local representative for his work on the Progressive Conservative's task force which examined the practices of Revenue Canada. The Progressive Conservative leader poked fun at the Liberal party and their policies. He told the audience that recent patronage appointments by Prime Minister John Turner had cost the Canadian taxpayers some \$84 million. He said that amount of money could provide a \$70 "Christmas bonus" for every senior citizen of the country.

The audience responded to the leader's taunts of the Liberals and gave him a standing ovation as he ended his speech. After a few minutes of mingling with the audience, the national leader was on the campaign bus once again, destined for stops in Peterborough and Kingston before the day was out.

He left behind a happy group of local Conservatives whose faith in the party and its leader had been recharged as only a personal visit can do.

Police investigate youth adrift

On August 11 at about 8 p.m., a small yellow dinghy was noticed drifting above the dam at Eagle Lake. Persons who had noticed the dinghy drifting for some time assumed the boat was empty but on investigation discovered an unconscious youth in the craft. Charles Tedford, 21, of Eagle Lake was taken to Haliburton Hospital and transferred to Peterborough Civic Hospital. No reason for his unconscious state has been determined, but the young man has since revived and is reported to be out of danger.

Thefts

A large number of thefts have been reported in the vicinity of the Highway 35 corridor and they include:

- a sea flea boat, valued at \$200 removed from in front of the Prentice-Berry agency in Lutterworth Township;
- a gas tank and a set of oars disappeared from a

cottage on the Gull River in Anson Township;

- a \$3,200 boat and motor stolen from a cottage lot on the Gull River at the end of Hunter Creek Road in Lutterworth Township.

- An aluminium boat and 3.6 h.p. outboard motor removed from the shoreline of South Lake in Snowdon Township valued at \$1,200.

- A total of 8 outboard motors valued at more than \$1,000 were stolen from Big Hawk Landing in Stanhope Township. Most were older models accounting for the low value.

Camper hurt

On Thursday, August 9, a ten year old Toronto boy received a wound to his left eye at Camp Northland on Moose Lake in Guilford Township. Ari Goldkind was struck by a pellet from an airgun fired by a seventeen year old counsellor, who assumed the gun was

empty. He had apparently fired it several times without any projectiles leaving the gun. Goldkind was taken to Haliburton Hospital and then transferred to Toronto Hospital for Sick Children.

Accidents

August 6 on County Road 1 in Snowdon Township, Benjamin Henderson, 22, of Toronto, lost control of his 1979 Mercury on a curve and skidded into a ditch. The driver and his passenger, Gail Ross, 25, of Toronto, suffered minor injuries. The incident was investigated by P.C. Brian Dunham.

Ciro Pacilli, 37, of Toronto, came over a knoll on Glamorgan Lake Road in Glamorgan Township on August 6, lost control of his vehicle which entered a ditch and rolled over. Minimal injuries were suffered by the driver and his two passen-

gers. P.C. Brian Laduran-taye was the investigating officer.

\$7000 damage to a 1979 Chev driven by Robert Richards of Ops Township occurred on August 8 on Highway 121 in Dysart Township, when the car, left the roadway and struck a Bell telephone pole causing \$800 damage to the pole. The driver received minor injuries and was charged with careless driving by the investigating officer, P.C. Dave MacMartin.

Restraint

Many of us gather our perceptions of the world through the things we see on television. While, as individuals, we may shrug off a single element of televised drama as being pure fantasy, constant repetition of an idea or theme will, we suspect, eventually leave an imprint of some kind on our subconscious.

Television drama, as represented by the most popular situation comedies or so-called "action programs" is a far cry from real life. This fact was brought strikingly home to residents of Haliburton County this past week. We are referring to the stand-off between police and a lone gunman in a house in Haliburton.

The situation, as created by the action of one man, seemed to closely resemble a classic police show plot. Indeed, at least one television reporter who was on the scene likened the situation to a script from one of those programs. However, there was a number of elements missing - elements that separate the fantasy of the television world from the reality of life.

The major difference was the action of the police, the Ontario Provincial Police. If the drama which unfolded Wednesday and Thursday had been scripted for television the conclusion prepared by the writers and expected by the audience would no doubt have been a pulsating shoot-out in which the police and the man in the house would have exchanged volleys of bullets with the protagonist eventually meeting his end in what is inevitably described as "a hail of bullets".

Reality, in most cases is not like that, and we should be thankful it isn't. The Ontario Provincial Police officers exercised a degree of restraint which speaks highly for their training and dedication to the preservation of life, even that of an individual who threatens their own.

The OPP used a variety of non-lethal methods to bring the situation to a peaceful conclusion. They attempted to coax, cajole and talk the individual out of the dangerous situation in which he had placed himself. When those efforts failed, tear gas was used to persuade the man he should give himself up. In the end they finally decided simply to wait the man out, even in the face of two of their own officers being wounded.

The situation last week was a real life drama which brought home the personal risk in which police officers place themselves in the line of duty and service to society. It was also an example of the priority which guides the actions of Canadian police forces, placing patience ahead of expediency, restraint ahead of action, and the protection of life, all lives, ahead of all else.

For that, as Canadians, we must all be truly grateful.

— Journal of Ontario Naturalists

Each year, the Federal - Provincial Wildlife Conference gives individuals from government wildlife agencies and private conservation organizations a much-needed opportunity to exchange information, discuss priorities for action and evaluate past efforts.

The 48th such meeting, with a theme of "Team Work in Wildlife Management" took place earlier this summer in Timmins, Ontario. As delegates learned, there are some real success stories in rehabilitating wildlife species threatened with extinction, which demonstrate that team work is really taking place.

- The swift fox, a shy, house cat sized native of the great plains is making a comeback. Extinct in Canada since the 1930's, the greyish, bushy-tailed animal, which can outrun a jack rabbit, has been re-introduced to its former range in Alberta.

- Despite the shooting death of the only breeding Peregrine Falcon in Ontario in 20 years, the Federal - Provincial re-introduction program appears to be working. These lightning-fast raptors are returning to release sites in various locations across Canada, including Toronto, and successfully nested this summer in Montreal.

- Wild Turkeys re-introduced to Ontario in March, 1984 have quickly settled down to breed, with as many as twelve eggs being spotted in one nest. Signals from radio collars allow continuous discreet monitoring of these majestic birds.

- Sea Otters were wiped out in Canada by the early 20th century. But their numbers are recovering beautifully, following a re-introduction program on the west coast of Vancouver Island some fifteen years ago. Estimated to number only 70 in 1977, the total population is now thought to number 350. The otter is still on Canada's Endangered Species list but hopefully not for long.

- The Wood Bison had all but disappeared by 1900. And efforts to build up the plains-dwelling sub-species since that time, have kept the survival of this larger, darker boreal forest relative in jeopardy, due to hybridization, but since 1958, relocation and careful management have swelled the numbers of Wood bison from 200 to 1300. Ironically, no pure stock remains in the national park which took its name from this great animal.

- The Whooping Crane tops them all. Less than 15 remained only two decades ago when efforts were launched to save this giant migratory bird. This year (more on page 5)

I would like to thank Don Davidson, Edith and Doris Smith, and Peter Bennett for their effort in bringing P.J. Duck back to good health and raising her brood for a month.

I have enjoyed watching the ducks along the river,

and many times feeding them in front of my home. All this spring I have been waiting to see if one of the females would nest and raise her young in the river for us to see. Some of the ducks born last year remained throughout the winter because they were so well looked after.

I suppose Mountain Lake will be a much safer environment for them, without the snapping turtles and with all the cottagers year round to keep an eye on them.

Now the ducks won't have to look behind themselves for turtles - just keep their heads down when duck hunting season opens this fall! I'm sorry to see them leave the river.

on the school grounds dispersed.

During the night the tactical team fired a number of tear gas canisters into the house and directed a spotlight against the windows of the bungalow in an effort to keep the man awake.

At 5:30 Thursday morning Constables Chuck Long and David Lemieux received gunshot wounds in an encounter with the man. Long was shot in right side of the neck and Lemieux was wounded in the left hip and the back of his skull. The two injured policemen were pulled to safety by the fellow officers under the cover of rifle fire and rushed to Peterborough Civic Hospital. Roadblocks were again set up and all traffic

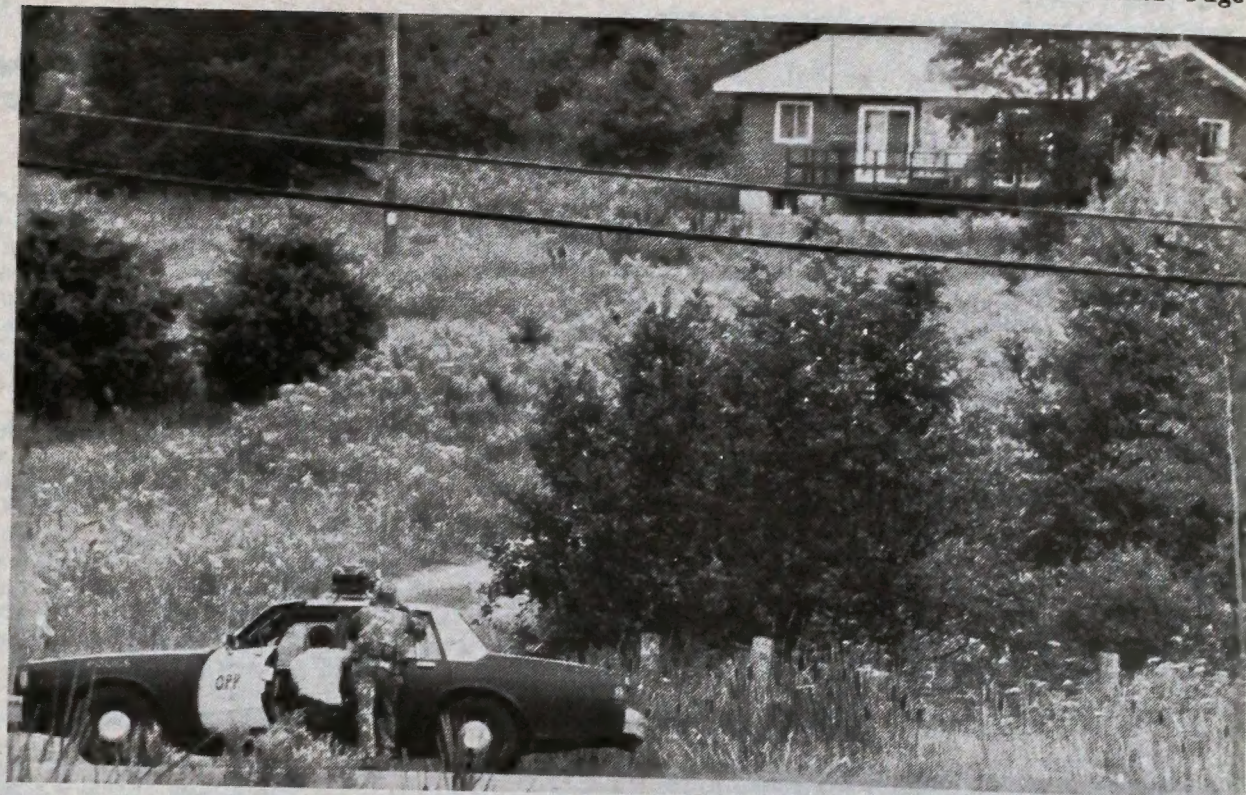

directed away from the area.

During the morning a pilot of a helicopter that was circling the area reported that the aircraft had been fired upon, but this was not confirmed by police.

At 11 a.m. the tactical team began an hour long tear gas barrage of the house but the man still remained inside.

During the afternoon the man began responding to the negotiators and around 4 p.m. he indicated that he had been wounded and was in pain. When the man agreed to surrender he was told to lie in the doorway and show that he was not armed.

Police entered the home, handcuffed the man, then took him by ambulance to the Haliburton Hospital for emergency treatment of a

REMEMBER THE 18¢ A GALLON INCREASE???

"The Liberal price hike will be less than half of what the Tories plan to inflict on you; we will negotiate an increase of less than 14 cents."

— Rt. Hon. Pierre Trudeau, February 12, 1980.

What actually happened?

- ✦ In 1980 gasoline prices rose by about 22 cents a gallon
- ✦ Since 1980 gasoline prices have risen by about \$1.13 per gallon
- ✦ Since 1980 home heating fuel has risen by about 80¢ per gallon, in fact they have almost doubled
- ✦ Over 500,000 potential jobs were lost

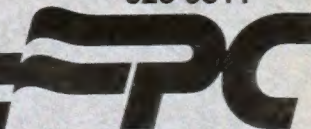

The energy sector should not be used as a source of revenue for the Federal government. A PROGRESSIVE CONSERVATIVE government will:

- ✦ Remove the 9% federal sales tax on gasoline and diesel fuel for all primary industries (farmers, fishermen, loggers, miners)
- ✦ Remove all refinery taxes from oil, gas or gas liquids used as feedstock to produce finished or semi-finished products for export
- ✦ Protect you, the consumer, from sudden price increases which may occur after the anticipated move of Canadian oil prices to the currently lower international levels

Haliburton County. The Chamber has a supply of the following:

Haliburton Commemorative Trade Dollars

The face of the coin carries a likeness of Chief Justice Thomas Chandler Haliburton after whom the county was named. He was the first chairman of the Canadian Land & Emigration Co., the company that opened up the Highlands to British settlers. He was best known as the author who created the whimsical Yankee clockmaker, "Sam Slick" through whom he expressed satire and pungent humour. The reverse side of the coin carries the county crest which is derived from the coat of arms of the Haliburton family. The coins sell for \$1.00 and are dated 1983. Collectors take note.

Council returns offer

published in The Times on August 8, Berube wrote "We object to CMHC attempting to implement its social welfare program in our subdivision. There are areas where the CMHC can build (or buy) a suitable unit for a reasonable price."

Berube added that if the CMHC did build a residence in the Highland Gate Estates that was compatible with the established character of the subdivision, the building would cost more than the homes which have already been constructed in the municipality by CMHC at a cost of \$81,000 per unit.

Berube added that the residents of the subdivision had the support of the developer, Roy Windover, in opposing the sale of the property to CMHC.

Council decided on August 9 to return the offer

to purchase to the CMHC along with a request that the Corporation continue the Rural and Native Housing Program in Minden but that a location other than the Highland Gate Estates should be considered.

In commenting later on council's decision, Deputy Reeve Ed Pergolas stated

that council had not had an opportunity to discuss the proposed sale with the developer and emphasised that council had no intention of selling the lot to the CMHC if the developer was opposed to the sale.

"We would have gone along with whatever the developer wanted," he said.

Children's Centre to expand

Five Counties Children's Centre, located in Peterborough, is planning a 4,000 square foot expansion of its present 15,000 square foot building. This expansion will provide treatment space equipped with audio equipment and one-way mirrors for four speech therapists and additional storage-maintenance space.

Expansion is necessary to accommodate the increased staff in all departments. In 1980 - 1981, six therapy staff were employed by the Centre, at present there are twelve. This increase in staff was in response to the increased demand for therapy services for children from infancy to 19 years of age.

In 1980 - 1981, 141 children were served by this Centre. In 1983 - 1984, 460 children were registered with the Centre. The Centre will continue to provide increased therapy services to outreach areas of Lindsay and Haliburton.

The estimated cost of this expansion is \$300,000. Application has been made to the Ministry of Health for partial funding and the balance will be raised through private donations. The anticipated occupancy date is April 1, 1985.

P.R.O.

So many people contributed so much to the success of the Carnival that it is difficult to single out names, but a big thank you to all from Comrade Holly and his co-chairmen. Congratulations to the winners of the thousand dollar draws: Lorne Morrison, Neale Woodcock and Cheryl Howe. Float trophies went to Haliburton Home Support and to the Haliburton Hospital.

Congratulations, too, to Vera Fader who won \$306.00 on the Snowball at bingo this month.

Branch 129 has given two hundred dollars to help with transportation of Learning Disability children to special classes at Lakeview School. Also, fifty dollars has been given to the Haliburton County Fair Board to pay for a clown/magician on Kid's Day at the fair.

Several members attended the Zone Drumhead service in Coboconk on July 29. Other forthcoming activities are posted in the clubroom. Com. Cec Bailey is attempting to provide clubroom entertainment. Come in, enjoy the evening, and support Cec in this endeavour.

We are happy to see Bob Colliver home. Best wishes to those on the sick list.

At the summer Executive meetings several plans have been made for the fall. To hear about these, try to attend the next General meeting on September 6.

Are you an active member?

Are you an active member, The kind that would be missed, Or are you just content That your name is on the list?

Do you attend the meetings

And mingle with the flock, Or do you stay at home And criticize and knock?

Do you take an active part To help the work along, Or are you just satisfied To be the kind that just belong?

Do you ever work on committees To see there is no trick, Or leave the work to just a few And talk about the clique.

So come to all the meetings And help with hand and heart, Don't be just a member But take an active part.

Now think over, comrades, You know right from wrong, Are you an active member, Or do you just BELONG?

The banks of the Gull River proved to be very busy Saturday, as the Minden Business Improvement Area sponsored the first annual rock bass fishing tournament. Family groups and individual anglers enjoyed a fun-filled day and helped to improve the river habitat for trout. For a report on the day's activities, see page 15.

Tom Elder breaks record

In qualifying for the H.M.S.C. August 11 - 12 weekend races at Mosport, Tom Elder of Minden broke the track record for Formula Vee racing, obtaining a lap time of 1:44:004.

However, as it was during qualifying and not in an actual race event the record

will not be entered in the official log. Sitting in pole position at the start of Saturday's race, Tom received credit for first place after front runner Paul

Shermet was penalized one minute for excessively dangerous driving.

The protest was submit-

ed by in-field track officials after Shermet and Scott Maxwell, vieing for first place, collided on corner ten of the last lap sending both

cars into the air. Elder managed to squeak by Maxwell, ending the race just behind Shermet.

On Sunday, again sitting

in pole position and driving his 1972 Caldwell, Elder placed second in the twenty lap race of 15 cars. Elder blew his engine just feet from the finishing line and coasted in for the second place victory just ahead of Maxwell. Tom is now in fourth place for the Ontario Championships.

Rolling readers honoured

Members of the Minden Library's Rolling Readers club were honoured for their participation in the program Wednesday during an open house held at the facility. The 18 youngsters joined the club after the summer holidays had started. Their target was to read 15 books during six weeks.

The program is sponsored by the local library in conjunction with the Lake Ontario Regional Library System.

Members of the program who received a certificate, a badge, and bookmarks included: Sheryl and Tammy McIntee of Toronto; Mathew Heffer, Catya Hynard, Marjorie Phillips, Megan Obee, Hunter Obee, Jana Obee, Laurie Smith, Kim Smith and Damon Smith all of Minden; Tommy O'Shaughnessy of Bancroft; Michelle Richardson and Nancy Richardson of Portland, Oregon; Lindsay Harper and Kimberly Harper of Hamilton; and Megan Ford and Meredith Ford of Mississauga.

Sutton takes weekend tourney

The fourth annual Rockcliffe Invitational Fastball Tournament was held on the past weekend with the Sutton A's claiming the championship.

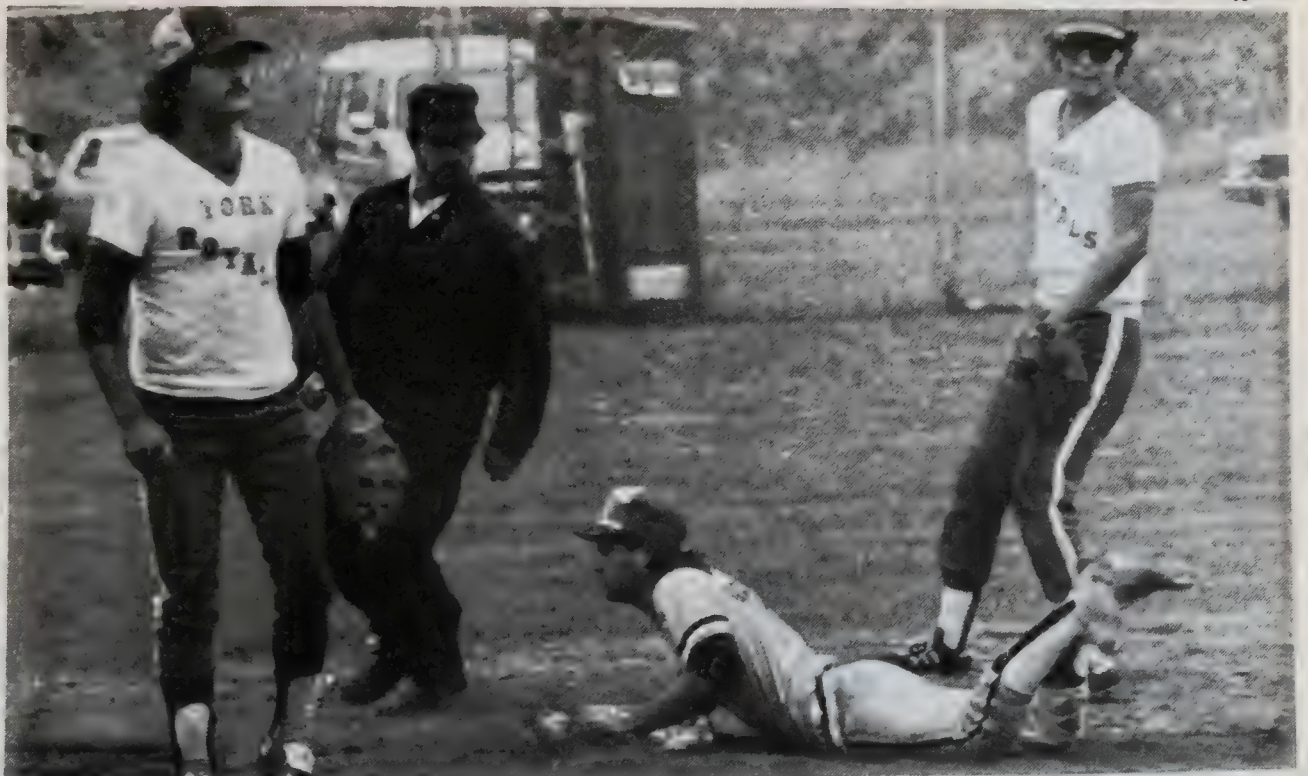

The Sutton team won the \$500 first prize plus Miller duffle bags donated by Carling-O'Keefe by winning four games while having no losses, the Toronto Coasters won the second prize of \$250 as runners-up with a three and one record.

The Consolation Championship was won by the local West Guilford team who also picked up \$250 for their fine three and one record as they defeated Hollinger's Tavern in the final consolation game.

This was an action packed tournament with some high

calibre of ball being played. M.V.P.'s were picked in each of the 22 games played, each receiving a Rockcliffe Tavern baseball hat for their efforts.

The tournament came off without any problems except for the time element as the games had to be carried on into the wee hours of Sunday morning and also late Sunday night. This was caused by many extra inning games and the weather on Sunday. The tournament committee would like to apologize for any inconvenience to anyone. Perhaps the answer to this problem would be another ball diamond to take the overload when these problems arise.

Terry Bowles, a player for the West Guilford Boys, is down but not out during a game against York Royals on Sunday. The West Guilford team placed third during the annual Rockcliffe Invitational Fastball Tournament held in Minden over the weekend. The Sutton A's took top honours at the tournament, winning all four of their games.

Hustlers lead finals 2 - 0

The Rockcliffe Hustlers have taken a two game to nothing lead in the Tri-County Championship by virtue of wins last Wednesday and this past Monday.

Last Wednesday at home the Hustlers possibly had the tightest contest of the year. This was the first game in the best of five finals for the Tri-County Championship against Lindsay Kent Tavern.

Kent jumped into the lead in the first inning on a single

by Erik Ellis and a double by Ed Bryans. In the second inning the Hustlers tied it up on a single by Barry Hammond and a double by Collin Newell. From here on it became a pitcher's duel between Jack Snell and Kent's Ron Sharmon as at the end of seven innings the score was still 1 - 1.

In the eighth inning Kent failed to score, setting stage for a dramatic finish. With one out Pat Byrne singled up the middle to give the Hust-

lers a base runner, the next batter was out on an infield grounder. With two out Rick Hartwick slammed a double to right field to score Byrne's for the winning run.

Jack Snell was the winning pitcher, tossing a four hitter while Sharmon took the loss while pitching a fine five hitter.

On Monday night the Hustlers travelled to Lindsay for the second game of the finals. From the very first you could tell that they meant business as in the first inning they scored all the runs they needed as they sent all nine men to the plate and scored five runs. They went on to a 15 - 1 thrashing of Kent Tavern. Big guns at the bat for the Hustlers were Rick Hartwick 4 for 4, Collin Newell two doubles and a single, and Scott Hammond with a homer and a double.

Jack Snell was again the winning pitcher with a four hitter. Kent's only run came on an error.

The third game and possibly the final game of the

series will be this Wednesday August 15 at Minden. A win for the Hustlers would give them the Tri-County Championship for the third year in a row. Let's get out and give these boys a boost on an exceptional year.

THE ROCKCLIFFE HUSTLERS

would like to thank everyone who helped out in any way in making the weekend tournament a success, as without your help we couldn't possibly have handled it. These people are too numerous to mention, so thank you again. We would also like to thank all the teams who participated and also the fans who attended.

Any ideas in how we might improve our tournament would be greatly appreciated so please feel free to let us know. Contact:

Club day at Blairhampton

submitted

On Wednesday, August 8, Blairhampton Golf Club held its first Members Golf Day. The participants had an enjoyable afternoon of golf under sunny skies and on good course conditions.

The low gross and low net prizes were donated by Dave Shyler. The best scores of the day were fired by Ellen Scribner, Bruce Bunker, Bette Brockelbank, Doug Bradshaw and Murray Kelly.

Other prizes were won by Barb Bunker, Jane Slater, Billie Shuyler, Mary Rose, Grant Hurtle, Chuck Hobb and Bud Medley.

The lucky draw for a dozen Titleists was won by Jack Donaldson. The assistance of Bob Smith greatly improved the day.

The members and spouses then gathered for a delicious buffet and ceremonies at the Fireside Restaurant in Minden. A good day was had by all.

IT MAKES ITS OWN ROADS.

If you do a lot of travelling in the outdoors, or want to, the sports minded, Honda ATC 200S is one of the most economical and fun ways to do it.

The ATC 200S gets its trail blazing power from a 192 cc. over head cam engine. A five speed transmission with an automatic centrifugal clutch helps make shift-

Trent Severn news

On Tuesday, August 7 the Haliburton Lakes of the Trent-Severn contained 80.6% of their maximum storage, still about 8% above the long term average.

Last week's high evaporation losses have been reduced by the very humid weather, and the rain on August 6 and 7. The Kawartha Lakes rose several centimetres, some to above their navigation maximums. This week the draw from the reservoirs has been reduced, and the Otonabee River flows have been increased.

Seniors continue winning ways

After finishing the regular season in first place, with a record of 16 wins and three losses, the Dixie Lee Seniors continued on a high note by defeating the Minden Juniors 2 games to none in the semi-finals last week.

In the first game the Seniors won 14 - 8. The Seniors took a 5-2 lead after

the second inning and never looked back. The Juniors made a strong showing in the last inning by scoring 4 runs, but were unable to overcome the Senior's lead.

Andrea Burk took the loss for the Junior's, Nelda Cully was awarded the win with relief help from Liz Baker, Trish Slavik was Dixie Lee's top batter, and she also

scored three runs. Rhonda Wilson lead the Juniors by scoring 4 of their 8 runs.

In the second game the Dixie Lee Seniors won 15 - 7. The Seniors played very strong defensively for 3 1/2 innings building up a 7 - 0 lead, and then the Juniors fought back to make the score 7 - 6. The Seniors set-

led down, and scored 6 runs in the seventh inning. Seniors were lead at the plate by Nelda Cully who made it to base five times, Sue Pye who scored 4 runs, and Laurie Brown-Wood who was 4 for 4.

Nelda Cully was the winning pitcher and Andrea Burk was the losing pitcher.

Large turnout at Brady Lake

Ideal weather conditions ensured a large turnout for the annual Brady Lake Regatta held on Saturday, August 4.

The winds were calm throughout the day, forcing the cancellation of the sailing races, but the placid waters proved perfect for the remaining competitions.

Points were awarded to the top finishers in the different age categories in the swimming, canoeing, rowing and powerboat races.

Trophys were presented

to the individuals who amassed the most points during the day.

The overall winner in the ladies competitions was Cheryl Parsons. Roger Allison was awarded the Hutchins Family trophy as the top mens competitor.

The Cammon family picked up the most points in the family competitions.

The activities continued on Sunday with a giant picnic, games for the children and the summer meeting of the Brady Lake Ratepayers Association.

No oil for road to Shangri-La

Following a decision by Stanhope Municipal Council the municipality's roads department will stop using oil in the maintenance of the Shangri La Road.

The road links Highway 35 to Kabakwa, Welch, Lower Welch and Kushog Lakes.

The decision was made by Council after a number of residents of Welch Lake had expressed concern over the possible pollution of the lake by oil used to control dust on the Shangri La Road.

One resident of the area

noted in a letter to Council that according to information supplied by Pollution Probe, the oil used to control dust on gravel roads contains polychlorinated biphenyls (PCBs) and that the Ministry of the Environment has not as yet established regulations limiting the amount of PCBs in the oil.

Council agreed that the road oiling operations should be discontinued and that the roads department should be instructed to use calcium chloride on the road.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT: and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth, to stop up and close a portion of the 'old Cameron road' right-of-way, located in part of Lot 2, in Concession 13; - being Part 2 on Survey Plan 19R-3043, adjacent and abutting Instrument Numbers 126639 and 70019, in the Township of Lutterworth and to convey the aforesaid Road Allowance Portion to the abutting property owner.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of The Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden, on Highway No. 35, on Thursday, September 20, 1984, at the hour of 7:00 o'clock P.M., a By-law to stop up and close the parcel of land more particularly described as follows: -

SCHEDULE "A"

ALL of that part of the 'old Cameron Road' right-of-way, located in part of Lot 2, in Concession 13, adjacent and abutting Instrument Numbers 126639 and 70019, in the Township of Lutterworth, in the County of Haliburton, designated as Part 2 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-3043.

AND, in addition, to convey Part 2, to the owner of the abutting Instrument Numbers 126639 and 70019.

A copy of the Survey Plan 19R-3043 is attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that, before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 24th day of JULY, 1984.

THANK YOU

**for making the third annual
Minden Sidewalk Sale
a tremendous success.
Special appreciation to:**

- The municipality of Anson, Hindon and Minden for their co-operation in closing Main Street for the day.
- Municipal bylaw enforcement officer Dick Schell for his assistance with traffic signs.
- Parks department supervisor Brian Sisson and staff for their assistance in building the treasure hunt sandbox.
- Road department supervisor Earl Kent for the use of the road barricades.
- Minden Fruit Market for the use of the fencing at the sandbox.
- Norm Mills and staff for the auction.
- Paula Solway for her assistance to THE TIMES.
- Participating merchants who made a special effort to make the day a success.
- and to the shoppers, without whom the sidewalk sale would not have been such a success.

Anglers net 43 pounds

The First Annual Minden Gull River International Rock Bass Family Fishing Derby, sponsored by the Minden Business Improvement Area, netted a total catch of 43 and a quarter pounds of rock bass Saturday. The event was held in conjunction with Minden's sidewalk sale.

The top fisherman of the day was 13 year old Steven Gruhl who brought in 84 rock bass for a total weight of 12 pounds 4 ounces. Steven is a resident of Hamilton. In second place was Christopher Robinson, who, with his friends, caught 11 and a half pounds of rock bass. Third place was taken by Jason, Jarret and Justin Gentle and friend Jason, with an aggregate weight of four pounds.

According to tournament organizer, Stu Brandon, the purpose of the event was to provide family entertainment and help preserve trout population in the river. He explained that the Minden Business Improvement Area has been actively involved in a stocking program in the river, purchasing trout of various sizes for release. Brandon noted that rock bass take a heavy toll of the small trout and if the population of this coarse fish can be reduced, there is a greater chance that the trout population will flourish.

The event attracted close to 30 anglers, with the number of entries being reduced as family members pooled their catch under one name. Prizes donated by area merchants and cash from the Minden BIA were distributed to the anglers who took part.

A special prize for the largest rock bass caught during the day, donated by Gord Monk, was presented to Lance Thornton of Oshawa. His fish weighed in a three quarters of a pound.

Other prizewinners in the derby included, Mike Sedej of Toronto with 3 1/4 pounds; Adam Bureaw, 3 pounds; Paul Wilson and Daryl Hudson of Minden 2 1/4 pounds; Grant Wilson of Minden, 2 pounds; Matthew Bowles of Pickering, 1 3/4 pounds; George Elliott (actually his father in law) of Minden 1 1/4 pounds and Jason Adam of Minden 1 pound.

An honourable mention was granted to Jeanne Sears of Minden whose only catch of the day totalled one quarter pound.

Chris Robinson, right, and friends proudly pose with the catch of rock bass which earned them second place in the BIA Fishing Derby. The young anglers, along with some help from their parents, netted a total of eleven and a half pounds of fish to claim their prize.

Congratulations

to Mr. Barry Stewart,

senior league

by Bert Harrison

Well readers, the long holiday is almost over and it's been so blooming hot. I just don't know if I should start to write, or if I should not.

Quite a lot of activity here at Hyland Crest. Some residents went out, others had special guests. By the way, the girls that live next door to me have company every day.

Some weekends we have a lady in the office, her name is Heidi. She does a real good job, keeps things nice and tidy. Some nights we have Cheryl Dillon, now here's a girl that is always willing. We also have faithful Ada Lewis. Keeps everything neat and doesn't

try to jew us.

Tuesday morning a very impressive community service was held in the chapel by Rev. George Elliott of Minden Anglican Church. With the help of his assistant Debbie Vaughan - this is Debbie's last service here then she'll be gone. She is leaving Minden with the deepest regret. When we think of her going our eyes get all wet. she has so much energy, does enjoy life, to her husband she'll be a really good wife. Wherever life takes you, whatever you do, may God's rich blessing be upon you.

Edith Welch is not too well and as I write this letter, we are all hoping she will

soon feel better.

Jack Shaw is back from a few days holiday. Some of our cleaners filled in while he was away.

This week is a critical time for the Rev. John Burgess' family. John's mother is having a serious operation and she is 93. It is the hope from all here at Hyland Crest, that she will come through it bravely and be truly blessed.

Linda showed movies Tuesday afternoon. Real interesting I declare, Right to the Top, Calgary Zoo and Park and You Should Have Been There.

Tuesday night there came to Hyland Crest Gordon Haughton, Murray and Shirley Davis were our special guests. They played and sang so nice. Thanks for a job well done, Murray can really play that accordion.

Wednesday noon just outside our back door we had

our first barbecue of the year. Hamburger, hotdogs, soft drinks, icecream, but not any beer.

Wednesday night Earl Cooper came, along with his dear son. Cathy Owens also came with her accordion. They played fine music for us. We look forward when they'll come to entertain again.

Ron Welch and wife Pat came from Frankford to visit his mother Edith. They also stayed to dine with his mother and Aunt Caroline.

Annie Cox's family is good to her and by the way, some of them come to visit her almost every day.

Mrs. Stutt's daughter, Ruth, has returned from a trip to Germany and Switzerland. She said the holiday and scenery were simply grand.

Thursday afternoon the ladies from Kennis Lake came all the way to Hyland

Crest, brought along a delicious lunch and were our special guests. One of the ladies was Doris McCann, head of the Home Support program.

We also had a gentleman Jim Wilkinson, head of the Kennis Lake Tourist Association. Thank you all for a job well done.

Thursday night members of the Minden Anglican Church choir came, played so lovely for us, entertained us fine. Thank you for coming and giving up some of your time.

Wednesday, August 15, 1984

Friday afternoon Eldon Deacon came to drive the Hyland Bus to take all that wanted to go over to the Community Centre to see the Flower Show. They said it was just fine, were served some nice soft drink, had a jolly time.

Friday night Ray and Marjorie Usher came, brought along their guests, Ray is a fine piano player and gives us his best. They led us in a sing along, which gave us all a thrill, like the Birds on Tree Tops on Mocking Bird Hill.

Social worker visits local Home Support Services

by Donna Bailey

Dr. Miriam Hutton, Professor of Social Work at the University of Manitoba was recently in our office to find out about Haliburton County Home Support Services.

Later she talked to me about the care-giving to seniors in her province.

Since she lives in a city, one of the major differences is that home support type services are distributed through several different agencies.

Their Meals on Wheels is a separate volunteer service which can service 2 meals 5 to 7 days a week.

She said that she had not heard of a Wheels to Meals in Manitoba. She felt that served a real need and would like to see Manitoba have it. Transportation for seniors is generally provided through the inexpensive regular bus service and through a volunteer bureau such as Age & Opportunity. If transportation is needed for medical purposes, seniors might use the handicap taxi service paid out of Social Services or use the special bus services for the handicapped.

Names of home helpers can be given to seniors by the Age & Opportunity Bureau but generally seniors must make the contact and pay the person directly. Some home help is covered under Homecare programs if the person is ill or of advanced age. There is no follow up for private home help, yet she feels this is very important to both the client and home helper. (We at Haliburton Home Support through our convenor can

make all the arrangements if necessary and we do follow-ups.)

Their Fone-a-Friend is run through a volunteer program.

The Age and Opportunity Bureau is one of several senior organizations; although run by professionals there is heavy senior involvement. They have a number of Drop-In Centres in the city. They have worked out an educational program in conjunction with the universities (lectures, tours, & live-in programs).

I asked Dr. Hutton for her thoughts about our Home Support Services. She said she was very impressed. She was impressed by the fact that one person recognized a need and got other people aware of the need and did something about it. She liked the enthusiasm of the people; the freshness of the offices and the Drop-In Centre; the network of people throughout the County linking up; the active involvement of the seniors in the volunteer and management of the organization; the fact that so much can be done by phone.

She liked the neighbourliness and the working together. "People", she said, "need to give and need ways for that to happen in a meaningful way. People need direct involvement. We become more human and caring when we care for someone else in a reciprocal way. Anything which encourages community building is important. The professionals are important but keep in mind always the value of neighbourliness."

Did you know?

by Jim Wilkinson

Did you know ... that our office has information available on excellent correspondence courses - provided free of charge by the Ontario Department of Education?

Now that autumn is approaching, some of you may be thinking of upgrading your educational background. If you are unable to take advantage of the night courses given by our local school board or Sir Sandford Fleming College, we would be happy to provide the necessary information needed for you to enroll in a correspondence course.

It takes about four hours a week on your own time to do a lesson - the only cost to you is the postage to send your lesson in to your

teacher who marks it and returns the corrected work. Education is so important for all of us, regardless of one's age.

There are now some excellent family education courses available during August at the Leslie M. Frost Centre in Dorset.

For further information on these and other programs, why not drop in to your County Information Centre or give us a call at 457-2733. We are located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton and are open Monday through Friday, 10:00 a.m. to 4:00 p.m.

Do take advantage of all the resources this community has to offer and remember, you will never know the answer, until you ask the question.

Drop-In Centre renovations

by Anna M. Nichol

In addition to physical renovations and improvements, the Drop-In Centre is in the process of organizing new programs and reviving old ones.

To assist us in planning the programs, an Interested Persons and Volunteers Meeting is scheduled for Wednesday, August 22 at 10:00 a.m. The objective of the meeting is to provide informative and social activities to the Senior Citizens of our community, during the coming year. Some of the activities that will be carried out are bridge, cribbage, euchre, senior swim program at Locarno-on-the-Lake, coffee and craft morning, craft and hobby instruction, movies and workshops.

Your suggestions for programs, courses and groups are very welcome.

The Emergency First Aid Course for Senior Citizens will take place on Friday, August 17, 1984 from 9:00 a.m. to 4:00 p.m. Please bring your own lunch.

The 30,000 Island boat cruise in Midland is available for Senior Citizens. It will take place Wednesday, September 19, 1984. The fee of \$32.00 includes bus trip to and from Midland, boat cruise, and dinner at the Highland Friendship Inn.

For more information and reservations on the First Aid Course and boat cruise, please contact us at 457-2941 or 457-2171, or visit our office of the Haliburton County Home Support Services in the Drag River Municipal Building.

Are you all set for the Haliburton County Fair? This annual event takes place this coming weekend at the Minden Fairgrounds and is another great opportunity to meet with old friends and make new ones, as well as being a time of recognition for all who worked hard to make the fair the enjoyable event it is.

The sidewalk sale in Minden last Saturday was a success judging by the number of people who were downtown. It was very nice to capture some bargains and to see so many locals and visitors strolling around, enjoying the efforts of the merchants. The weather was just perfect and we saw many familiar faces in the crowds.

Blair and Heather Cox, who have been attending swimming lessons here, have returned home to Peterborough with their parents, Linda and Gerald.

We are very glad to hear that Duncan Prentice is recuperating at home after surgery in Peterborough Civic Hospital.

The Thursday afternoon card party has only a few weeks left at the Library-Cultural Centre. August 16, 23 and September 6 will see the last of the card parties for this year in aid of the museum fund. Winners for last week were, lone hands - Eleanor Pye. Other winners were May Spence and Charles Beharrell.

All his friends send best wishes for a speedy recovery to Earl Ward who has been in Ross Memorial Hospital in Lindsay this past week.

Visiting with Jeanne and Milt Sears on the weekend were Sandra, Rick and Logan Moth of Toronto and the Paul Warburtons from Scarborough.

Elda and Tracey Henderson have moved to their new home. We hope they will be very happy there.

The first annual general meeting of Kushog Lake Cottager's Association will be held in Stanhope Community Hall at 11 a.m. on September 1st. The hall is located on North Shore Road, a quarter of a mile east off Highway 35.

Winners from Club 35 Monday night card party for this week were: most lone hands - George Alsop, the high man was Art Verbaan while the high lady was Edith Russell. The door prize was taken by Jack Weekes and other winners were George Alsop (twice), Pam Hodgson and Ken White.

Mr. and Mrs. Arthur Thorpe of Caledon Hills spent the weekend with Mr. and Mrs. Earl Hewitt of Minden.

Visitors with Mr. and Mrs. Loyne Cox last week were Mr. and Mrs. Mervyn Horsley of Bobcaygeon and their daughter Leslie and two children from Cold Lake, Alberta.

We received a note from our friend Alex Stevenson while on his trip to Newfoundland and he was in St. Johns for their 158th Regatta. This, he informs us, is the oldest sporting event in North America and all the businesses in the area close for the day, regardless of lost income, so that everyone may participate in or enjoy the event.

My Lady Muse

I sense her presence ever near
Her gentle urgings oh my dear
Can I refuse
Back to the shadows of my mind
I inward turn and there to find
My lady muse

I close the door on things mundane
Embrace my lover once again
Sweet consumption
And once oh once again as ever
So joyous we two will deliver
Some small creation.

I Remember

Someone's head lay on that pillow
Quietly breathed their presence and
Someone softly spoke my name
And someone gently squeezed my hand
That was yesterday and I remember
As I watch the shadows play
As the flame dies to the ember
And the embers ash to grey.

Why oh Why

Angry impatient fast sweeping wind
Where are you making away away
Why all the fury why so unkind
Dragging our clouds in tearful splay
Blowing frustrated searching so blind
What are you seeking hoping to find?

at 2:00 p.m.

On assuming the operational responsibility for these Hospitals, the Board of Trustees of St. Joseph's General Hospital would like to recognize the Canadian Red Cross Society for their efforts at establishing and maintaining these Hospitals and the continuing support of the people of the community.

We've had a few comments on how Anson, Hindon and Minden council are to be commended on the new sidewalks and streets and that the parkette, formerly the Welch property, is now a lovely spot.

In our poet's corner this week, we are very happy to share with you, a lovely poem written by ten year old Tara Kruusi of Willowdale for her grandparents, Aarvi and Vieno Kruusi of Minden.

Dreams

Oh dreams are lovely things
They float through your mind
And sail all about
Oh but dreams have a mind
of their own
They keep going on and on
Telling their never-ending stories.

Tara Kruusi

The following short poems arrived in the office with no author's name. We are sure, however, they too, are for sharing with you.

kid's korner

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What holds the moon up?
